ORDER

The UGC has notified the Regulations on Minimum Qualifications for Appointment of Teachers and other Academic Staff in Universities and Colleges and Measures for the Maintenance of Standards in Higher Education,2018 vide paper read (1) . Further University has implemented the said Regulations vide paper read (2).

Clause 4.1 of the UGC REGULATIONS read as (1) above, stipulates that “The Academic score as specified in Appendix II (Table 3A) for Universities, and Appendix II (Table 3B) for Colleges, shall be considered for short-listing of the candidates for interview only, and the selections shall be based only on the performance in the interview.” University had already issued guidelines and academic score sheet for the purpose of selecting meritorious candidates to the post of Assistant Professor in University Academic Schools/Departments and Affiliated Colleges in accordance with the UGC Regulations 2018 vide paper read as (3),(4) and (5).

However, it has come to the notice that the UGC Regulations stipulates academic score sheet as per Appendix II of UGC Regulations 2018 for the purpose of short listing of the candidates (both open & reservation posts) for interview only, and the selection shall be based only on the performance of the shortlisted candidate in the interview.

Considering the facts above, following guidelines are issued for the entire selection process to the post of Assistant Professor in University Academic Schools/Departments and Private Colleges affiliated to the University for strict compliance.

1. Separate academic score sheets have already been approved and issued for the purpose of short listing candidates to both University academic Departments /Schools and affiliated Colleges. However, the total score i.e. 100 may be considered only for short listing of candidates.
2. In the case of University academic departments /Schools, The applicants shall be shortlisted for the interview based on the Academic Score detailed above. Fifteen (15) candidates may be shortlisted category wise (open or reserved) for each vacant post of Assistant Professor. For every additional vacant post in the same category ten (10) more candidates per vacancy may be added to this list. While setting the cut off

score in this manner, if there are more candidates with same academic score that equals this cut off score, all such candidates shall also be included in the list of shortlisted candidates for interview.

3. If the total number of eligible candidates is less than 15 for 'open' or 'reserved' post, all those candidates belonging to that category may be shortlisted for interview.
4. All the eligible candidates short listed as per the above criteria may be called for interview.
5. In the case of affiliated colleges, the number of candidates to be short listed for interview may be decided by the college concerned. It is suggested that the college may adopt the procedure formulated for the selection of assistant professors in University academic Departments/Schools as detailed above. However, while short listing candidates for interview a minimum of 10 candidates may be short listed for each post and the maximum number may be decided by the college concerned. If the number of applicants is less than 10, all eligible applicants may be called for interview.

The Maximum marks fixed for the interview shall be Fifty (50) and the split up of marks to be awarded in the interview may be based on the following components as envisaged in the UGC regulations:
